PEARL Suite Ver3.1.0 :: Released on 16/05/2017

Release Highlights

- E-stamping
 - Public can optionally generate e-stamp for documents with stamp duty above one lakh. The payment for stamp duty and Registration can be made together or separately. The document can be prepared on the e-stamp generated. [Refer G O. (P) No.23/2017/TD dated 7th April, 2017].
 - Additional stamp duty and Registration fee, if any as identified by SRO, can be paid online and the endorsement as required can be made on the document.
 - HELP file is available at home page of on line applications
- Online payment has been enabled with login
 - Online payment has been brought under login to ensure more security and accountability.
 - User can create a login for doing online payment.

New Features and Fixes

- E-stamping
- Online payment enabled with login
- Online payment status updated in OpenPEARL after payment in PublicPEARL
